ABOUT

YOU MUST KNOW!

MASAI MARA

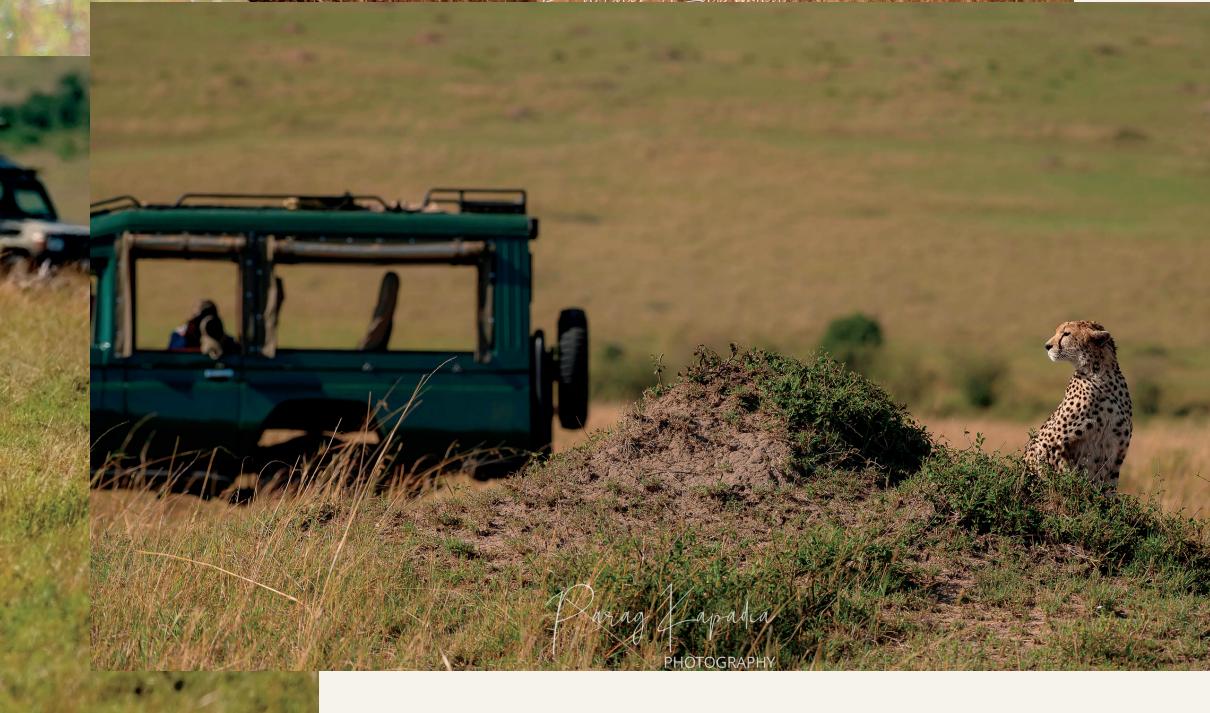

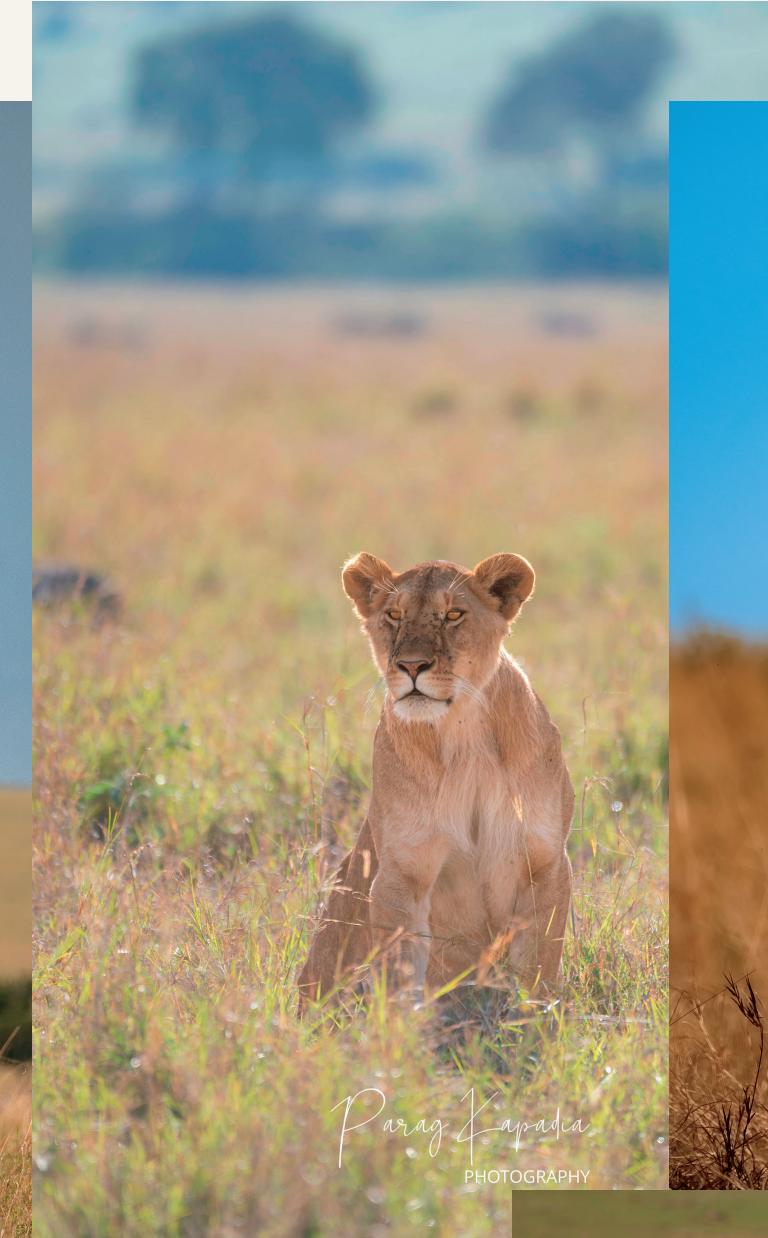

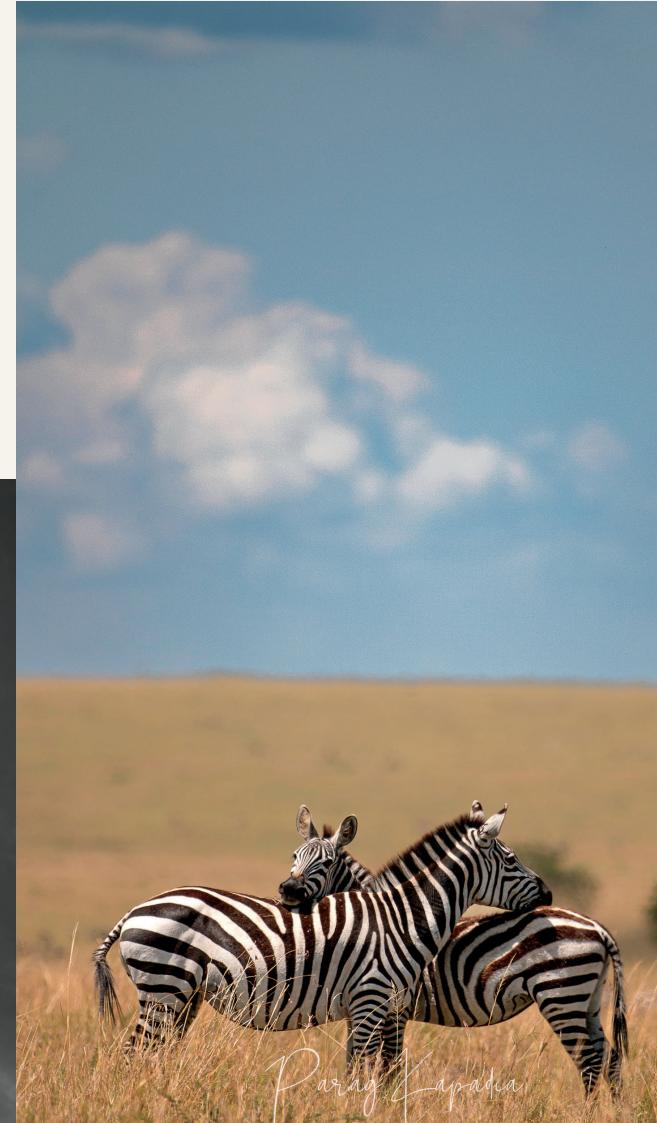

Maasai Mara National Reserve is an area of preserved savannah wilderness in southwestern Kenya, along the Tanzanian border. Its animals include lions, cheetahs, elephants, zebras, and hippos. Wildebeest traverse their plains during their annual migration. The landscape has grassy plains and rolling hills and is crossed by the Mara and Talek rivers.

It is no surprise that tourists from the world over travel here to experience a Masai Mara Safari tour.
